This is to certify that the 'in-house inspection service' put in place by the manufacturer and covered / managed by their Quality Management System; has been successfully assessed against the requirements of Pt. 1.8.7.6 of ADR 2019 agreement.

The approval is subject to the continued maintenance of the Quality System in accordance with the requirements of the above mentioned directives and agreement; this shall be controlled by intermediate audits, inspections and surveys.

The manufacturer is allowed to affix the "T" mark followed by our notified body identification number '0029' to approved equipments in the conditions described in the chapter 3 of the TPED Directive (2010/35/EU).

The authorisation is valid until 30th June 2022.
